PHILIPPINE ISLANDS

ARRANGEMENT

Islands are listed in the order given below, the principal ones being arranged alphabetically and followed by the smaller adjacent islands:

Cebu
Luzon
Corregidor
Mindanao
Saccol
Samal
Mindoro

Negros
Siquijor
Palawan
Calamian
Panay
Guimaras
Sulu Archipelago: Siassi,
Sulu, Tawi Tawi

In each island natural features, cities and villages are arranged in alphabetic order and are followed by the various tribes, general customs, industries and flora. The name of the province in which a place or tribe is located has been given in parentheses.

Under each city the subjects, generally speaking, are grouped in the following order:

Panoramas, approaches etc.
Streets, bridges and gates
Parks
Outdoor statuary
Churches
Buildings, public and private
Miscellaneous subjects, customs etc.
Environs

INFORMATION

Two hundred of the most desirable subjects for a general study of the Philippine islands are indicated by the asterisk. This number includes views of the principal places, tribes, manners, customs and industries. A brief descriptive note will be sent with each picture or slide of these subjects.
